**Dear Patrons of the Arts,**

Thank you so much for coming to this performance!

Our mission statement for the Performing Arts Department states that we believe in the transformative potential of the arts. We believe that the students on stage and behind the scenes represent the best of what our department has to offer, and we are exceptionally proud of them.

Tonight's performance is the culmination of many hours of work and rehearsal, and, under the direction of our outstanding staff, will be a transformative experience for the students, and hopefully for you as well!

Thank you for your support of live music and theater.

We hope you enjoy the show!

Sincerely,
